

Bitpalast® web design foundation: the basic package

There's no comparison between a professionally designed Bitpalast® website and our competitors' offerings. At Bitpalast® you have a personal contact, and Bitpalast® develops a unique design just for you. Pages can also be enhanced and updated even after the website is complete. You can do this yourself free of charge, or you can get Bitpalast® to do it. The basic package also includes:

Illustration from the Bitpalast® website study "MEGA Stars". Service also available in English.

For more photos, please turn page or see additional data sheets. Bitpalast® develops a unique design just for you. Every Bitpalast® web design is a distinctive original!

- ✓ Advertising professionals develop your design proposal and adapt the proposal according to your wishes.
- ✓ Of course, your own logo, colors, hyperlinks and other typical Internet features are used.
- ✓ At least 15 pure HTML pages with guaranteed search engine compatibility; more pages possible.
- ✓ Cascaded Style Sheets (CSS) decrease loading time
- ✓ Processing of your existing images such as scanning, reworking, photo composition, small and large scale slides, drawings and videos
